# TITAN HOOKLOADER

## THE NEW STANDARD IN EXCELLENCE

The new **TITAN hookloader** provides a durable, light-weight system which has the flexibility to fit many different containers or accessories. This enables the Titan hookloader to cater for many transport requirements in construction, environmental and other applications.

### Increasing productivity

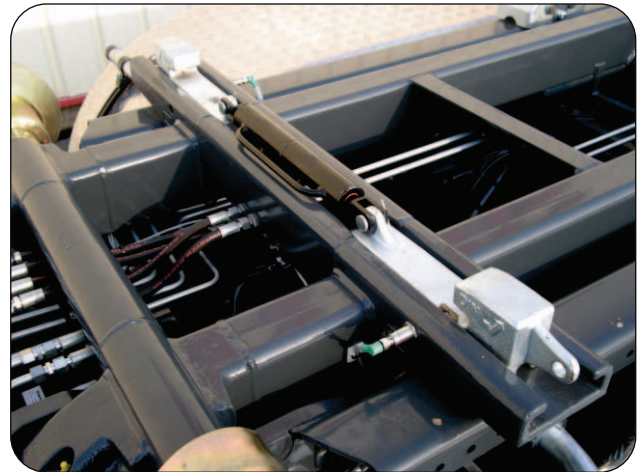

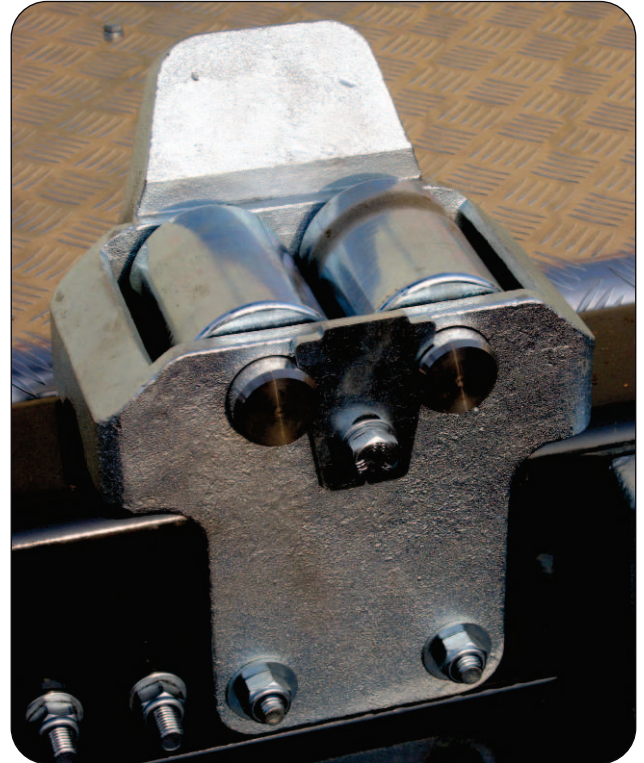

- Reduced installation time, through boltable mounting concept.
- Increased operation speed.
- High quality painting delivered from factory.

### Caring about the environment

- Lower weight and lower system height.
- Container support rollers, reducing friction and lowering operation noise.
- Designed to operate with bio-degradable hydraulic oil.

### Safety as a priority

- High strength “universal” hydraulic container locking (ADR approved)
- High quality detachable pick-up hook with safety latch
- Safety lights indicating and signaling possible unsafe situations fitted as standard. This lighting module is designed to fit any cabin and features a PTO Switch.

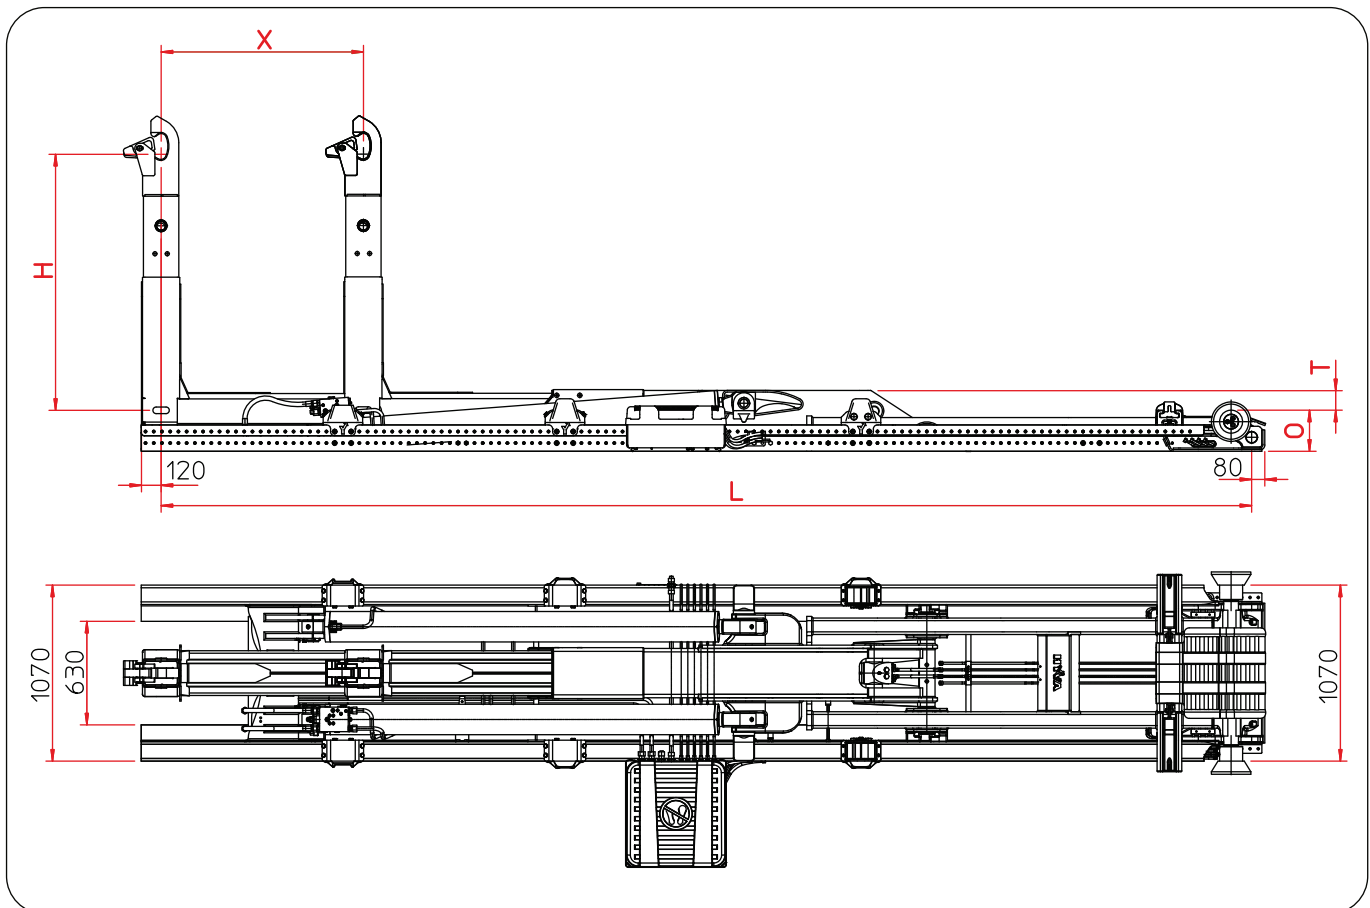

FLLI FERRARI is both ISO 9001 and ISO 14001 certificated.

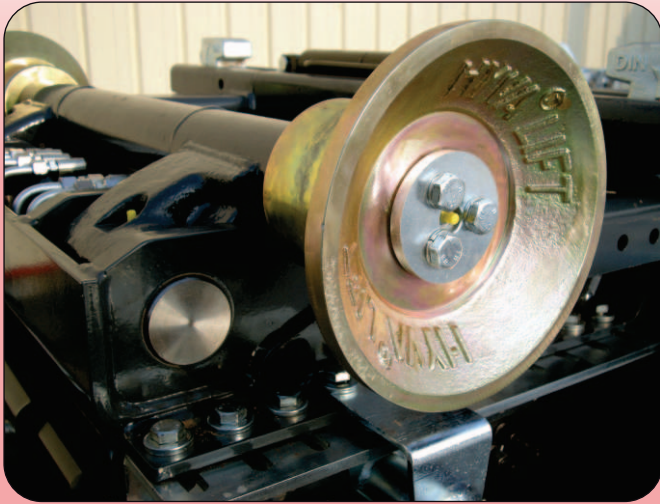

FLLI FERRARI is committed to deliver the highest quality in a sustainable and environmentally responsible manner.

# Technical specifications

TITAN Hookloader									
Capacity (Ton)	20 / 22								
O (mm)	250 (280)								
T (mm)	125 (95)								
H (mm)	1425 / 1450 / 1570								
Type	47-S	49-S	51-S	53-S	55-S	57-S	60-S	62-S	65-S
L (mm)	4700	4900	5050	5350	5550	5750	6000	6250	6500
Weight <sup>1</sup> (kg)	2275	2300	2350	2375	2450	2475	2550	2575	2650
X (mm)	1000	1000	1000	1200	1200	1200	1400	1400	1400
Min / Max container length (mm)	3750 - 5800	3950 - 6000	4100 - 6150	4200 - 6450	4400 - 6650	4600 - 6850	4650 - 7100	490 - 7350	5150 - 7600

<sup>1</sup> Weight includes hydraulic container locking, pick-up hook with safety latch, but excludes oil tank and mounting accessories
